TRICARE

Medical Service Coordinator

Location: Vilseck, Germany

Provide customer service and operational support within the TRICARE service center setting. You will assist by providing information and support to individuals eligible for TRICARE benefits. This assistance will include registering enrollees into Composite Health Care System (CHCS), assigning primary care manager, completing and entering TRICARE enrollment and disenrollment forms and informing individuals of grievance procedures. Additionally, you will maintain and update the CHCS database for members, develop and provide routine enrollment reports and present group and public TRICARE briefings. This position requires participation in an intensive 5-day training which is held at the SAIC Kaiserslautern, Germany, office. Continued employment will be contingent upon successful completion of the training. Candidate must be able to work between the hours of 7:30-17:00.

Education/Skills Education: High School Diploma or G.E.D. required; Bachelors Degree preferred.

Required Skills: Three years cumulative overall experience in the following areas: Two years experience with Military Health Care delivery system and benefits or civilian managed care medical/administrative environment. Two years working experience in a medical office or clinical environment. One year experience with the Composite Health Care System (CHCS) or other Civilian Healthcare Computer system. Fluency in English

Contact: David Mascis, Sr. Sourcing Specialist

Military Spouse Career Advancement Accounts (MyCAA)

<http://www.militaryonesource.com/MOS/FindInformation/Category/MilitarySpouseCareerAdvancementAccounts.aspx>

Spouse Career Advancement Accounts

The Department of Defense is expanding the Military Spouse Career Advancement Accounts -- MyCAA -- for military spouses of active duty and activated Guard and Reserve service members worldwide beginning in mid May 2009. MyCAA is currently completing an extensive testing period with the help of volunteer spouses, schools and other payees. In mid May, MyCAA will officially open its doors for eligible military spouses worldwide to receive up to \$6,000 of financial assistance to help pay for licenses, certifications and education in high growth, high demand portable career fields.

Military Spouse Career Advancement Account (MyCAA) Details

MyCAA provides up to \$6,000 of financial assistance for eligible spouses directly to participating schools or other programs. If they are already listed in the MyCAA system, a spouse and his/her school or other program are ready to proceed with their request for financial assistance. If not, the military spouse needs to click "Can't Find School" on the MyCAA website to request that his/her school or other program be added. MyCAA financial assistance will pay for expenses such as post-secondary education and training, tuition, licensing, and credentialing fees. It does not pay for computers, school application fees, graduation fees, student activity cards, child care, parking, transportation, medical services or testing fees.
